| (iii)    | 18% GST of (ii)                                                                                                                                                                                                          | 6,300             | 74.34           |
| (iv)     | <b>Maximum LPG Consumer price (i+ii+iii)</b>                                                                                                                                                                             | <b>257,595.72</b> | <b>3,039.63</b> |

- As per Clause 3.4.5 of the LPG Policy 2016, LPG prices will be regulated with a maximum price at all levels of the supply chain. However, producers, marketing companies and distributors may sell below the maximum price determined from time to time.
- The above prices will be effective from February 01, 2024.
