Product under Review: The product for which this Review has been requested is One Side Coated Duplex Board (Grey Back) ranging from 225 to 400 grams (“Duplex Board”), originating in and/or exported from the Exporting Countries to Pakistan. The said product is classified under Pakistan Customs Tariff (“PCT”) Nos. 4810.9200 and 4810.9900. It is mainly used for packaging cartons/boxes (folding cartons) of numerous consumer & industrial products such as cigarettes, pharmaceuticals, spices, confectionary, food, tea, biscuit, shoe, auto parts, electric appliances, electronics and garment etc.

Period for Review (POR): The sunset review would be conducted on the basis of information for the last three years *i.e.* from January 1, 2019 to December 31, 2021.

Basis for Review: The Applicants have claimed that there is likelihood of continuation or recurrence of dumping of the product under review into Pakistan by the exporters/foreign producers from the Exporting Countries which may lead to continuation or recurrence of injury to the domestic industry. The Applicants have provided in application sufficient information and evidence in accordance with provisions of the Act.

Initiation of Review: Upon initial examination of the information and evidence provided in application, the Commission is satisfied that the application *prima facie* qualifies as a duly substantiated request under Section 58 of the Act. Therefore, the Commission hereby initiates a Review pursuant to Section 58 of the Act to determine whether expiry of the anti-dumping duties imposed on imports of Duplex Board from the Exporting Countries would likely to lead to continuation or recurrence of dumping of the product under review and injury to the domestic industry, or not.

Continuation of Anti-dumping Duties: In terms of Section 58(3) of the Act, the anti-dumping duties imposed on dumped imports of Duplex Board from the Exporting Countries will remain in-force pending the outcome of the review.
