Product under Review: The product for which this review has been requested is continuous casting (steel) billets (“CC Billets”) originating in and/or exported from China to Pakistan. It is a semi-finished product of iron and non-alloy steel, and alloy steel. The said product is classified under Pakistan Customs Tariff (“PCT”) Nos. 7207.1110, 7207.1190, 7207.1210, 7207.1290, 7207.1910, 7207.1920, 7207.1990, 7207.2010, 7207.2020, 7207.2090, 7224.1000, and 7224.9000. CC Billets are used by the re-rolling mills in production of Steel Bars, Wire Rods, Beams, Channels and T-iron etc.

Period of Review (POR): The sunset review would be conducted on the basis of information for the last three years i.e. from January 01, 2019 to December 31, 2021.

Basis for Review: The Applicants have claimed that there is likelihood of continuation or recurrence of dumping of the product under review into Pakistan by the exporters/foreign producers from China which may lead to continuation or recurrence of injury to the domestic industry. The Applicants have provided in application sufficient information and evidence in accordance with provisions of the Act.

Initiation of Review: Upon initial examination of the information and evidence provided in application, the Commission is satisfied that the application *prima facie* qualifies as a duly substantiated request under Section 58 of the Act. Therefore, the Commission hereby initiates a Review pursuant to Section 58 of the Act to determine whether expiry of the anti-dumping duty imposed on imports of CC Billets from China would likely to lead to continuation or recurrence of dumping of the product under review and injury to the domestic industry, or not.

Continuation of Anti-dumping Duty: In terms of Section 58(3) of the Act, the anti-dumping duty imposed on dumped imports of CC Billets from China will remain in-force pending the outcome of the review.
